14th Vidhan Sabha General Elections-2013 in Rajasthan

Statistical Informations

Election Department, Rajasthan

PREFACE

Free and fair elections are the corner stones of democracy. India is the largest democracy in the world and is known world over for conducting free, fair and peaceful elections. Elections in India are conducted under the direction, control and supervision of the Election Commission of India. The actual task of conducting elections is carried out at the State level by the State election machinery, aided by the District Administration and various other functionaries, which prominently include the Booth Level Officers appointed for each polling stations.

The polling for General Elections to 14th Vidhan Sabha was conducted in the State on 1st Dec., 2013. The programme schedule of these elections was announced by Election Commission of India on 4th Oct., 2013. All 200 ACs of the State were subject to polls on a single day.

The planning for these elections had started long before, in fact since the annual revision of the electoral roll with reference to date 1.1.2013. At that time, the emphasis was on increasing enrolment of voters, focusing specially on youth and women voters. Also, drives were launched to improve the health of electoral roll with regard to deletion of duplicate entries, correction of errors and improving the EPIC/PER ratio. After final publication of electoral rolls on 5th Jan., 2013, a drive for enrolment of women voters especially was continued to improve the gender ratio of electoral roll. In the months of July and Aug., 2013, a Special Summary Revision of Electoral Roll was again undertaken to give opportunity to remaining electors to enroll themselves and also to improve the health of electoral roll further. The exercise for rationalization of polling stations was carried out much before in the year 2012 itself.

After the Special Summary Revision held in Aug., 2013, the Election Department carried out a detailed and vigorous training programme for various levels of officers. At the same time, the Department prepared detailed Compendia of instructions on various subjects and started preparing for the conduct of poll. The Election Department also prepared training literature for various categories of officials incorporating latest guidelines and instructions of the Election Commission of India.

The biggest challenge before the Election Department was firstly to ensure a peaceful and fair poll and secondly to ensure having voter participation. For ensuring free, fair and peaceful election, the Election Department requested the Election Commission of India to provide adequate Central Para-military Forces (CPMF). As a result, the State got an allocation of 509 Companies of CPMF, which is the highest ever for Assembly poll. With proper

deployment of the CPMF as well as State Level Forces, it was ensured that a fully secure atmosphere was provided in all parts of Rajasthan. The result of this exercise was that the Assembly poll in th entire Sate was completely incident free and peaceful. A detailed vulnerability mapping exercise was also carried out before the Polls to ensure that the vulnerable voters who are normally denied their voting rights, also come forward easily to exercise their franchise.

A detailed and carefully planned, Voter Awareness Programme was embarked upon during the run up of the Polls, under SVEEP(Systematic Voter Education and Empowerment Programme). Innovatively designed messages were floated for targeting various categories of voters like youth, women and the urban voters. Ground level activities were also undertaken in a big way by all Districts to motivate voters to come out and cast their vote on the poll day. All this was done under the Systematic Voter Education and Empowerment Programme (SVEEP) under the guidance provided by Election Commission of India.

Due to these efforts made by Election Department, a historically high voter participation of 75.76% was recorded in the Assembly Polls -2013 in Rajasthan. Not only this, for the first time, the participation of female voters was more than the participation of male voters in so far as voting at polling booths is concerned. The Election Commission of India took cognizance of this high achievements of the State and honored the State with National Award for Best Electoral Practices, which was given away by the Hon'ble President of India on 25th Jan., 2014.

In this book-let, all relevant factual information and statistical data relating to the Assembly Elections – 2013 have been presented for the benefit of Readers. It is expected that this publication will very useful for not only archival purposes but also for research and reference purposes.

The entire election machinery at the field level comprising of District Administration, police officers, Booth Level Officers and other officers involved in the election process need to be congratulated for their exemplary performance in the Assembly Elections -2013. All Officers and officials of the Election Department also similarly deserve appreciation for their untiring work to make these elections a success. The Statistical Wing of the Election Department needs special appreciation to bring out this publication with a lot of hard work.

(Ashok Jain)
Chief Electoral Officer & Ex. Officio
