

ELECTION COMMISSION OF INDIA
NIRVACHAN SADAN, ASHOKA ROAD, NEW DELHI -110001

No.23/BLA/2025-ERS

Dated: 11th November, 2025

To,

The Chief Electoral
Officers of All States/UTs

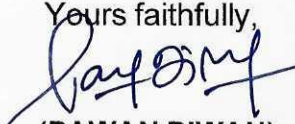

Subject – Modification in Booth Level Agent (BLA) appointment criteria-regarding.

Sir/Madam,

I am directed to refer to the Commission's instruction No. 23/BLA/2023-ERS dated 9th August, 2023 regarding the Booth Level Agent (BLA) and to say that the Commission has decided to modify the para **3(iv)** of the above cited instruction as follows:

***3(iv)** Normally, one BLA may be appointed for each Part of the electoral roll. The BLA should be a registered elector in the relevant Part of the electoral roll for which he/she is appointed. In case of unavailability of Booth Level Agent (BLA) from the same Part of the electoral roll, Booth Level Agent may be appointed from any registered elector of the same Assembly Constituency. It is expected that the BLA will scrutinize the entries in the draft roll of the Part for which he/she is appointed as BLA to identify entries of electors who are dead or shifted.*

2. Similarly, the corresponding para 25.2.1(iii) of the Manual on Electoral Rolls 2023 shall stand modified.
3. You are requested to communicate these changes to all concerned authorities and political parties for necessary action.

Yours faithfully,

(PAWAN DIWAN)
